Scope of the Journal

ISSN: 1749-9151 (Print), ISSN: 1749-916X (Online)

IJTCS is a multidisciplinary source for research and teaching in all higher education disciplines and in the use of case studies as a teaching/research tool. Its unique value proposition is to gather an interdisciplinary forum of international scholars representing specialisations from business, marketing, finance, management, the social sciences and computer science/information technology. IJTCS delivers case studies aimed at supporting teaching, learning and research in academic and applied professional settings and interdisciplinary papers examining curricula, knowledge bodies, certification and professional issues.

Contents:

IJTCS publishes original research papers providing significant results, and also communications innovative ideas and news, announcements and reviews regarding the topics of the journal.

Topics covered include:

- Teaching, learning and research
