for more information and sample articles

Scope of the Journal

ISSN: 1742-4240 (Print), ISSN: 1742-4259 (Online)

IJTPL is a double-blind refereed, highly professional and authoritative source of information in the fields of technology policy and law. It encourages articles representing synergy between theory and practices to help policy makers and executives govern and manage technologies and their relations with society, policies and law. Emphases will be on the related social, political and economic issues, as well as emerging issues of interest to legislators, professionals and academics.

Contents:

IJTPL publishes original and review papers, technical reports, case studies, conference reports, management reports, book reviews, notes and commentaries. Contributions may be by submission or invitation, and suggestions for Special Issues and publications are welcome.

Topics covered include:

- Commercial/copyright law, consumer protection
- Creativity, innovativeness, cross-cultural comparisons
- Digital divide, digital rights management
- E-governance/government, e-service related law
- Electronic funds transfer, insurance
- Information ethics/literacy/privacy/sharing
- Innovation process management, technology innovation
- Intellectual property rights/trading, patent law
- International law/standards, national competitiveness
- Internet abuse
- Knowledge/technology management
- Knowledge sharing/trading
- National information infrastructure, security
- Social engineering/impact
