Scope of the Journal

ISSN: 1746-0573 (Print), ISSN: 1746-0581 (Online)

WREMSD is a multidisciplinary refereed journal on issues central to management and sustainable development around the world. The general theme of WREMSD has been very carefully chosen to include business and entrepreneurship management and the challenges these represent in terms of global competitiveness and sustainable development. It also addresses the question of how we are going to help local people to adapt and apply modern managerial practices to their local settings and improve their decision-making process and competitiveness.

Topics covered include:

- Accounting, finance, banking, taxation; mergers & acquisitions
- Business/organisational communication, IT in global business, MIS, e-commerce
- Business education/teaching, ethics, values, social responsibility
- Business law, legal environment of business/development
- Business process [re-]engineering management
- Corporate governance and strategy, MNCs, SMEs and entrepreneurship
- Cross-cultural management/marketing, cross-disciplinary business areas
- Environmental challenges, agribusiness/marketing/economics
- FDI, international trade, exporting, marketing
- Economics, free trade, trade agreements, informal sector
- Hospitality management/industry, travel, transportation, tourism
- Industrial engineering/management, supply chain/logistics management
- International business/management, business in transition economies
- Management/organizational theory, decision sciences
- Operations/production/performance/quality /project management
