About Inderscience Publishers

We are an independent company with over 35 years' publishing experience, offering over 420 high-quality peer-reviewed international journals in wide-ranging disciplines including science, engineering and technology; environment and sustainability; health and biosciences; computing; economics; and management. We pride ourselves on providing a framework for authors to publish in new areas. Our cross-disciplinary approach, international editorial boards and list of contributors make us a pioneering publisher that aims to foster and promote innovative thinking.

Linking centres of excellence worldwide

The Economics and Finance Journals Collection

These titles provide a comprehensive view of the subject that incorporates topics ranging from accounting and finance, auditing technology, bonds and derivatives through to education, green economics, emerging markets and the global economy.

To find out more about each title on this list, please visit www.inderscience.com/ef
