About Inderscience Publishers

We are an independent company with over 35 years' publishing experience, offering over 420 high quality peer-reviewed international journals in wide-ranging disciplines including science, engineering and technology; environment and sustainability; health and biosciences; computing; economics; and management. We pride ourselves on providing a framework for authors to publish in new areas. Our cross-disciplinary approach, international editorial boards and list of contributors make us a pioneering publisher that aims to foster and promote innovative thinking.

Linking centres of excellence worldwide

The Management and Business Journals Collection

Our Management and Business Collection includes a diverse range of topics such as business administration; decision sciences; entrepreneurship and SMEs; law, policy and management of organisations; operations management and marketing; quality assurance; and supply chain and logistics management. It also covers technology and innovation management, and features the highly influential *International Journal of Technology Management*, instrumental in creating the discipline of technology management.

To find out more about each title* on this list, please visit www.inderscience.com/mb

Librarian Resources

For information about subscribing to, monitoring and providing access to our online journals, or to sign up to our mailing list for new titles and other relevant updates, please visit our web resource for librarians at www.inderscience.com/librarians.

Subscription Options and Further Information

A complete price list for the individual purchase of our titles can be found at www.inderscience.com/prices

A subscription to the Management and Business Online Journal Collection, or the Full Online Journal Collection, can provide extensive discounts on the title list price depending on the number of titles chosen. You may also create your own customised collection of 15 titles or more.

To request a quotation, to set up a FREE institutional online trial or for further information about our licensing options, please email subs@inderscience.com.

All Inderscience titles offer both traditional and open access publishing options for authors. Please email subs@inderscience.com if you or members of your organisation are interested in discussing institutional payment models for article processing charges (APCs).
